

Photo Printer Service / Repair

APPROVED REPAIRER:

- PrinterCare (Apscan) is the Hi-Res Photo Printing and Mitsubishi approved repair centre for Mitsubishi photo printers and medical printers in Australia
- We also service / repair other brands

SUPPORT:

- Having a problem with your printer? Contact us and we'll do what we can to diagnose and resolve the fault over the phone / email

SERVICE EXPERTISE:

- Our experienced service technicians have received technical training from Mitsubishi and have access to ongoing technical and engineering support

SERVICE PARTS:

- We endeavour to hold a comprehensive range of spare parts in stock to reduce costs, and minimise delays in service turn-around

FREIGHT / TRANSIT:

- We can arrange cost-effective freight solutions to and from our repair centre if you need to ship your printer to us
- Printers need to be well packed to travel safely - please remove paper / ink, and pack the printer into firm carton with at least 5cm packing material (especially at the corners)

WARRANTY:

- Repairs are covered by a three month, back to base, warranty (conditions apply)
